Design Details

- Certified engineered hardwood frame.
- Durable mortise-and-tenon construction.
- Padding made with soy-based foam wrapped in recycled synthetic fibers.
- Box spring and mattress required with the bed.
- Box spring rests on a ledge recessed 5.75" from the top of side rail. If you prefer to limit the visibility of your box spring over the rail, we recommend a low-profile box spring.
- Customize the look with our signature fabrics.
- Solid wood legs painted in White, or finished with low-VOC stain in Natural or Dark Walnut.
- Offered in a plain muslin base, so you can readily re-upholster in any fabric you choose.
- Spot clean with mild, water-free solvent. Let dry naturally.
- Made in the USA.
